AURA

Subject: AS/400 Switch commitment form.

Information:

OS/400 V7R3 to V7R6 requires Easycom Server version 4.76.x or up for an optimal operation.

Before to change your iSeries, Check the validity of your Maintenance contract.

Dear Sir

Following your request, you will find hereby the "AS/400 Switch Commitment Form".

In order to establish the new activation key, could you please send us back via mail (no e-mail, no fax) the enclosed form, filled out and signed.

Indeed, as a legal commitment, we need an original of your signature.

We are sorry about this inconvenience.

In order to help you to get the right serial number, please enter the following command on the screen of your AS/400: DSPSYSVAL QSRLNBR.

We look forward to hearing from you,

Yours Faithfully

Customer Department
